1.2 SHORT HISTORY

Association Sportive Automobile ESCA – Plastics Vallée

An association under the law 1901 affiliated to the French Motorsport Federation, the ESCA (Ecurie Savoie Compétition Automobile) was born in the 1960s, founded by a handful of former members of the Asac Mont-Blanc, thus the name. This association is a member of the Departmental Olympic and Sports Committee and is approved by the Youth and Sports Committee.

Licenses were conspicuous as Driver or Co-driver in most of the disciplines of Motorsport :

- Majority in National, Regional and French Rally Championship.
- But also: Hill Climbing, Slaloms, Circuit, Historic Vehicles, Dirt and Rally Raid...

One stable is affiliated to the ASA ESCA: l'Ecurie du Pays de Gex.

The Asa Esca issued about one hundred and fifty licenses in 2011. The place said vacant by the Rallye Régional of Plastics is used by a team affiliated to the association for the organization of a Slalom in mid-April.

It took up his definitive seat in Oyonnax at the beginning of the seventies.

At the time it organised Slaloms and Hill Climb, it took the first step of motor rallying in 1976 with the 1st Rallye Ain-Jura, and with the support of a first-rate partner, ICI France, the Ain-Jura quickly reached the French Rally Championship 2° Division. It will leave this championship due to the geographical distribution of events in the Rhône-Alpes region.

At the same time Esca will have on its calendar the organization of the Regional Rally of Plastics, which will remain a real success until its 14th and last edition in 1997. Its organisation has been put on hold to allow members of the association to concentrate their efforts on the Ain-Jura Rally, efforts that have been largely rewarded :

ACCESS TO THE FRENCH RALLY CUP 1ST DIVISION...

The rally regains his level of recognition by reaching the 1st Division ... the last national event before admission into the very closed circle of the ten events of the French Rally Championship.

2013 : Organisation of the Final of the French Rally Cup.

2015 : Comeback of the French Rally Championship 2nd division.

2017-18-19-20-21-23 : Event counting for the EUROPEAN RALLY TROPHY
